## DECEMBER 2025 NEWSLETTER

During the month of December at St. Mary we will be learning about Advent, it's meaning and symbols. Advent marks the beginning of the Church calendar year. During the four weeks of Advent we commemorate the coming of Jesus to Bethlehem more than 2000 years ago. During this time we celebrate his coming into our hearts. In a spirit of anxious anticipation we prepare once again, with grateful hearts to celebrate the coming of Jesus, our Saviour and Lord. The most common symbol for Advent is the Advent wreath. Its circular shape, formed by evergreens is a symbol of eternal life. Its three purple candles symbolize our time of waiting, our time of repenting, our time of preparing for the Lord. Its pink candle represents a time for rejoicing as we move closer to Christmas. The light cast from the candles remind us of Jesus, the Light of the World.

Wishing your Family a wonderful Christmas Holiday filled with many moments of  
Hope, Faith, Joy and Peace.

### Advent 2025

In days to come the mountain of the Lord's house shall be established as the highest of the mountains and shall be raised above the hills; all the nations shall stream to it. Many peoples shall come and say,  
"Come, let us go up to the mountain of the Lord, to the house of the God of Jacob;  
that he may teach us his ways and that we may walk in his paths."

*Isaiah 2.2-3*

## THE SEASON OF ADVENT

### **ST. MARY ADVENT CELEBRATIONS**

At Mass, after praying the Lord's Prayer, we hear "... as we await the blessed hope and the coming of our Savior, Jesus Christ." This prayer reminds us that during Advent, we wait in joy, in hope, and in anticipation for the wonderful event we are about to experience - the feast of Christmas, the coming of Christ into our lives in new ways, the return of Christ in glory at the end of time. As the Church, we wait during Advent and look forward to celebrating the fact that God loves us so much that he sent his Son into the world to save us. This waiting is far from empty; rather, it is full of the hope that God promises us as we prepare for Christ in the feast of Christmas.

The students at St. Mary will be experiencing the season of Advent through discussion, prayer and celebration

*Advent Week 1– Wednesday, December 3- Advent Celebration 9:30 at St. Thomas More Parish*

*Advent Week 2 – Advent Celebration - virtually during announcements*

*Advent Week 3 – Advent Celebration - virtually during announcements*

## ***SOCIAL JUSTICE ECS Foundation HOLLY LEAF CAMPAIGN December 1-15***

Students at St. Mary will be taking part in a Holly Leaf fundraiser for the Edmonton Catholic Schools Foundation. Your children are invited to decorate a Holly leaf, which they will be bringing home, and return it to school with a Spiritual Advent Wish along with a donation if you can. The Holly leaves will be displayed in the school atrium and funds collected will be donated to the Edmonton Catholic Schools Foundation.

### **What Does the Foundation Do?**

In short, the Foundation makes dreams come true for students and families in our schools through six Dreams for Kids funds and seven endowment funds. You are able to direct your support to the area of greatest need or to any one of the different funds available. We anticipate the areas of greatest need this year to be:

1. Helping Hands Fund: Provides resources to assist schools in addressing student or family emergency needs including, clothing, food, shelter and health.
2. Conquer Hunger Fund: Supports healthy school lunch, breakfast and snack programs (it only costs \$100 to provide a daily snack to a student for the entire school year).
3. Guardian Angel Fund: Provides help for students with mental health needs.

### **Donations through the ECS Foundation Website**

Parents who would like to make larger donations and wish to have an income tax receipt should make their donation directly using the Foundation website. In order to track which school they represent, parents are encouraged to click on the "I would like to dedicate this donation" box and write the name of the school their children attend in the "Tribute Name" box. This will allow tracking of donations from our school. To access the form, simply go to the Foundation website: <https://www.ecsfoundation.ca/> and click on the "**Donate Now**" button on the top right hand side of the page.

## ***GRADE 4-6 CHROMEBOOKS - A Good Christmas Gift Idea!***

All students in grades 4-6 are required to bring a Chromebook or laptop as part of their school supplies. These devices are used daily to access Google Classroom and other online resources both at school and home.

The schools existing Chromebooks are allocated to students in grades 1-3. We are grateful for the support of our Fundraising Association, which has provided Chromebooks over the years. However, they will now focus on other initiatives to enhance the school experience. (Perhaps a chromebook is a good Christmas idea for our Grade 3 students!)

If purchasing a Chromebook or laptop for your child is not feasible, please contact the Principal to inquire about an alternative solution.

Please note that students are expected to bring their devices to and from school each day. It is their responsibility to ensure the device is charged and ready for use. We will not have backup devices available, so if a student forgets their device, they will need to complete their work on paper or at home.

Thank you for your partnership in education.

As we have for the last two years, the hot lunch committee of the School Advisory Council has prioritized offerings that balance the following objectives: low packaging waste and low cost to ensure accessibility for all families, while also providing a fun change to usual lunch box routines (and a break for parents from making lunches!).

We welcome volunteers for the pizza lunch days, and a signup sheet will be circulated closer to the days of those hot lunches.

If you have any questions, concerns or feedback on hot lunch, please feel free to reach out to Kate Faught directly ([kate.faught@gmail.com](mailto:kate.faught@gmail.com)).

## A graphic illustration of a white cross. A green leaf is draped over the top right arm of the cross. At the base of the cross is a large, vibrant red poppy flower with a dark center, surrounded by green foliage and a small bud.

On Thursday, November 6, during our Remembrance Day Ceremony, we remembered those who volunteered, sacrificed, served, fought and died for our freedom. Thank you to our parent first responders for making our Remembrance Day Ceremony special.

November is called the “month of saints” because it includes the feasts of All Saints Day (November 1), dedicated to honoring all saints, and All Souls’ Day (November 2), praying for the souls of the departed. Through out the month, students researched and celebrated saints by drawing pictures of their favorite saint.

## MONTHLY REMINDERS

### PARKING

#### Drop Off & Pick Up

**Please do not park in the bus lane at any time.**

The church across the street allows parents to use their lot before after school.

**You are welcome to use the DROP & GO lane on the east side of the school if you are stopping to let out students only. This is NOT for parents who wish to get out of their vehicle.**

Please follow the link <https://arcg.is/1H4ieS1> or use the QR code to view the map explaining which zones are for parking and which are for driving through only. Parking is available in the church lot during pick up and drop off.

### SICK

#### **STAY HOME WHEN SICK**

*As students and staff return for another exciting school year the health, safety and well-being of all students and staff remains a top priority.*

*Parents are asked to please continue to monitor your child for symptoms daily before coming to school. This is one of the most effective ways to prevent the spread of illness. **Anyone who is exhibiting symptoms of illness, including fever, nausea, vomiting, diarrhea, new or worsening cough, or shortness of breath, should remain at home until their symptoms have improved and they***

***have been free of fever for 24 hours without the use of fever-reducing medication, and they feel well enough to resume normal activities. If your child becomes sick at school, parents/guardians will be called to pick them up. If your child is away from school for any reason, please call the school office to let us know.***

*At our school we are,*

- Encouraging students to wash and/or sanitize their hands regularly. Hand sanitizer is available at our school.*
- Prioritizing frequent cleaning and disinfection of high-touch surfaces.*
- Ensuring proper ventilation is extremely important to us. We have installed the ASHRAE-recommended MERV 13 filters in our school, and our HVAC systems are running for extended periods of time. We continue to reference and implement ASHRAE guidance where practicable within the limitations of existing infrastructure across the Division.*
- Respecting individual choice regarding masks. Our priority is supporting a welcoming, caring, respectful, and safe learning environment.*
- Reporting illness to Alberta Health Services when school-wide student absentee rates are over 10% due to illness so they can investigate and advise. This has always been our division practice.*

*The health, safety, and well-being of our students and staff remain our top priority.*

## **SCHOOL FEES**

Please review your child's fee account in the Powerschool Parent Portal. If you have **NOT** yet paid your child's school fees, please make your online payment today.

## **VACATION**

## **LEARNING WHILE ON VACATION**

St. Mary School recognizes that a child's educational experience is not confined to the school building and that vacation trips can be enlightening and valuable to a child's intellectual growth. Please keep in mind that the learning and teaching that is missed cannot easily be replicated outside the classroom or in a worksheet and your child may miss parts of the curriculum. Teachers structure their classes for both instruction and assessment according to the regulations established by the provincial government. Teachers are not required to provide assignments for vacations but could share topics being covered so you include them in your daily discussions. Google classrooms may allow for completion of assignments but opportunities for interaction and questions will be impacted as well as feedback for assessment. If you have any questions, please do not hesitate to call the school.

## **BUSSING 2025-2026**

All NEW applications, changes to bussing addresses, cancellations or replacement bus pass requests **must** be completed online through the following link

<https://ecsd.mybusplanner.ca/>

Parents are asked to monitor their Powerschool Parent portal weekly to obtain their child's route information and check for any changes to the schedule. Bus pass fees for 2025-26 are all \$50.00 for both Yellow bus and ETS, with no additional family plan discount. Eligibility for bussing this school year, as changed by the Alberta Government, requires access for bussing to be at least 1.6 kilometers from the school.

**Bus Passes** This school year there will be no bus passes issued to students. Bus drivers will take attendance of their passengers according to their updated running boards.

**Bus Delays** Bus delays are posted on the division website through the BusPlanner website <https://ecsd.mybusplanner.ca/Alerts> or can be accessed through the bus delay app **BusPlanner Delays App** on your mobile phone. Students are encouraged to be at their stop at least 5 minutes before their pick up time. If a bus **does not arrive within 10 minutes** of its scheduled time, please ensure your child knows to notify an adult. No matter how late a bus runs behind schedule, the driver finishes the route. But we do recommend that after 20 minutes, you make other arrangements.

**Any questions on bussing can be directed to our Transportation Department directly at 780-441-6078.**

## **LUNCHES**

## **LUNCH drop offs**

We encourage children to bring their lunch with them as they arrive to school in the morning as to limit disruption to learning and work flow. **Noon drop offs of fast food items are discouraged. All essentials for eating their lunch should be packed as the school does not provide disposable supplies - cutlery etc. for student use.** Healthy lunches are encouraged together with reducing disposable waste.

## KEEP CHRIST IN CHRISTMAS CONTEST

'Prepare the way of the LORD; Make His path straight.'

The Knights of Columbus Father Bonner Council is happy to announce the Keep Christ in Christmas (KCIC) Program to help shift from a preoccupation with materialism to the light of Christ and the spirit of giving.
